# Handwriting Analysis

Everybody's looking for someone - a lover, an employee, a friend... but who has time to get to know anybody? You need ways to find out about people without wasting time on activities like conversation...

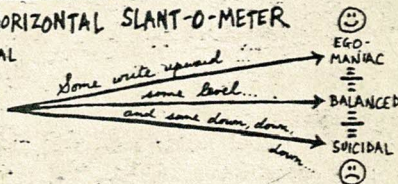

## VERTICAL SLANT-O-METER

VERTICAL SLANT REFLECTS SELF-RELIANCE

## HORIZONTAL SLANT-O-METER

HORIZONTAL SLANT REFLECTS SELF-IMAGE

LETTERS FALL INTO THE LOWER ZONE (y, g, j, etc.), THE MIDDLE ZONE (i, e, a, etc.), AND THE UPPER ZONE (L, L, h, etc.). BELOW ARE EXAMPLES...

## DIFFERENT USES FOR HANDWRITING ANALYSIS...

I LOOK AT HANDWRITING TO SPOT RED HOT BABES!

I LOOK AT HANDWRITING TO FIND DECENT OFFICE HELP.

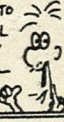

I LOOK AT HANDWRITING TO RECRUIT MEMBERS OF MY PERSONAL SUPPORT SYSTEM.

I LOOK AT HANDWRITING TO JUDGE A MAN'S MARRIAGE POTENTIAL!

I LOOK AT HANDWRITING TO FIGURE OUT WHERE TO TAKE A GIRL ON A DATE!

## HOW TO MAINTAIN YOUR PRIVACY

1. Print everything (GOOD)
2. Write everything on a Macintosh (BETTER)
3. Dictate everything to your secretary (OUR FAVORITE!)
